

Dear Reception children,

I hope you are all well and keeping yourselves healthy and safe.

I am missing you lots but I hope that you are making the most of this extra time at home by doing some fun things with your families. I have been enjoying some extra time with my daughter and she is certainly keeping me busy!

I have been looking on Tapestry and going through lots of the lovely things you do when you are at school. Don't forget to ask your grown-ups to put some pictures on there of what you are doing at home too, so that I can see what you are up to. I enjoyed seeing pictures of the delicious cakes that Georgia made, thank you.

I hope you are looking after the bean plants we sent home - it would be great to hear about how tall they are growing and if they have changed much. I wonder who will be the first to grow a bean pod.

We were going to have a special delivery of some caterpillars at school next term so that we could watch them grow and change. I have decided to get them delivered to my house instead and I will make some videos and take lots of pictures for the school website and facebook so that you can still experience it with me. I will let you know when they arrive, so keep checking in.

I am going to go now to film a story that will be shared with you on facebook, I hope you enjoy it. I am missing our daily story times.

Keep yourselves busy, have lots of fun and make sure you behave and do good listening. I can't wait to see you all soon and to hear all about the fun things you have been doing.

Lots of love from

Miss Gilbert
