

Dear Parents, Carers and Students,

Well-Being And Learning Skills Webinars January through to March

We wanted to let you know about some exciting and innovative webinars designed to support well-being and learning skills. Action Your Potential are running webinars for all of our families during January, February and March and their mission is to help everyone in our school community to become a #NeuroNinja, someone who lives inside their amazing brain knowing how it works so they can the best out of it every day.

Action Your Potential are here to support the children, parents, young people and staff within the Newlands community and so have created 10 webinars all about your amazing brain which are delivered over 10 Weeks. The webinars will focus on practical, everyday habits that will transform our relationship with ourselves, each other, our learning and our well-being in turn supporting you in becoming a #NeuroNinja.

Please see below an outline of the weekly sessions and if they interest you then sign up using the link below. If you are unable to access the webinar live, then you will be able to watch the recording on the Action Your Potential website. For more information on Action Your Potential please see their website: <https://www.actionyourpotential.org/>
