

2nd November 2021

Dear Parents and Carers,

Miss Fox will be using Classroom Video Technology in New Zealand class as part of her training.

Using the technology, IRIS Connect, she will record some of her lessons to review and develop her teaching.

It is a secure device and the videos will not be shared with anyone who is not associated with Miss Fox's development.

Please do not hesitate to ask any questions you may have.

Yours Sincerely,

Gemma Stupples
